

## MTSU Professional Counseling Program

### Policy on school counseling job-embedded licensure pathway

To be eligible for a job-embedded license as a school counselor, you must meet the criteria below.

1. Complete ALL of the following courses in the MTSU Professional Counseling Program with a grade of B or better.

- COUN 6120 Counseling Exceptional Children
- COUN 6160 Foundations of School Counseling
- COUN 6165 Advanced School Counseling

2. Pass the Praxis II #5422.

3. Have completed or are currently enrolled in COUN 6270 Practicum in Counseling.

3. Have been previously or currently employed in a formal capacity in a PreK–12 setting (e.g., teacher, graduation coach, school services personnel, etc.). Determining whether this criterion is met is at the discretion of the program faculty.

4. Must maintain student status in our program by being currently enrolled in classes.

5. Must have met and continue to meet all program requirements and dispositions throughout their enrollment in the Professional Counseling Program.
